# Financial Summary -

Luke reported that, in January, we approved payment of a PennPRIME invoice for \$1,640.00, which was based on previous year's billings. However, PennPRIME has invoiced us for \$4,100.00 (the full year coverage premium instead of three separate payments), therefore, Luke left the \$1,640 in the Business Checking Account (see below). The check #1996 for \$1,640.00 has been voided and been replaced with check #1998 for \$4,100.00 this month.

CD#40 matures tomorrow. Luke will get quotes from Members 1st for short-term CDs to reinvest.

  - Still having problems with the trail users at the quarry crossing.
    - + The biggest issue is joggers wearing headphones looking down at their feet and not paying attention.
    - → Dan will lower the signs to eyelevel, but he doesn't think that will help.

- Discussion of 2023 Projects and Goals to include potential grant applications this year. This matter has been tabled for discussion at a future meeting.

#### **NEW BUSINESS:**

- Crime loss insurance coverage o Additional coverage would be \$350.00 per year. With a \$20,000 annual budget, a million dollars of coverage make little sense for us and even if we were to have a crime occurrence, it would more than likely be less than the deductible amount.
  - We think our audit approved financial controls will be enough to limit our risk.
  - o Bob made a motion that we elect not to take on this additional coverage. Luke seconded the motion and the motion carried.
- Middlesex Township zoning development overlay.

# LRA Meeting Minutes 2/16/2023

Page - 4

  - Trying to encourage redevelopment of the Miracle Mile.
  - + Luke will attend a public meeting with public comment scheduled for next Friday.
- Change in meeting agenda format Consent Agenda o Curtis suggested that we change the meeting format to adapt a consent agenda. o Approve routine items which do not require discussion, i.e. minutes, pay bills, water quality report. o Using a consent agenda should cut down on our meeting time.
- Andy will adjust the agendas for future meetings.

Bob made a motion to adjourn the meeting. Curtis seconded the motion and the motion carried. The meeting adjourned at 8:40 p.m.
